

Directions for Toddler Time and Jumpstart Dismissal

- Toddler Time parents must park in a parking spot and walk up to the front doors to pick up children. Please enter the parking lot using the Petersburg Road entrance.
- Jumpstart parents need to enter on Petersburg Road, immediately taking a right in the parking lot. Drive down to the very last row and turn left. Turn left again and enter your child's class lane. (Your child's teacher will give you the lane information.)
- For safety reasons, children will only be loaded into cars on the building side.
- Once your child is safely in the car and buckled, please exit using the Petersburg Road exit.
