

# Directions for PreSchool

## Dismissal

- For safety reasons, please do not walk up to pick up your child. We ask that you stay in your car and allow teachers to bring your child to you.
- Please have your child's car tag visible so teachers can have the children ready to be loaded in cars.
- Please enter using the Petersburg Road entrance. Make double lanes to ensure all cars are off of Petersburg Road.
  - Children will only be loaded into cars on the building side.
- Parents will pick up students at the Gym overhang. There should be two lanes-one under the overhang and one on the outside of the overhang.
- Once your child is safely in the car and buckled, use Petersburg Road to exit.
